Second Diversity Course

2 credits are required. If you take a 4-credit course, 2 credits will apply towards your elective requirement. These two credits must be a unique course and cannot be double counted for another requirement. For example, if you are an Economic and Racial Equity concentrator, you cannot count HS 534b-Perspectives on Economic and Racial Equity for both the concentration and diversity requirement. Please see the Concentration and Additional Requirement List and fill in your diversity requirement choice here.
